# Arthurs Seat State Park

## Mountain Bike Trails

The peaceful bush land and steep rocky terrain makes Arthurs Seat State Park an exciting mountain bike destination. The combination of single trail and management vehicle tracks provides opportunities for all skill levels. The Trail network has been constructed and maintained in a joint partnership with the Redhill Riders and Parks Victoria.

### WARNING

Mountain bike riding involves a high degree of personal risk and should be undertaken with care and regard for riding conditions at all time. Cyclist and other users of these trails do so at their own risk.

All Black Diamond trails contain significant obstacles that should be inspected before riding. Where an obstacle or feature requires additional caution this will be indicated through the use of caution signs with the use of two or three black down arrows.

These trails are subject to natural processes, varying weather and track conditions. The Arthurs Seat mountain bike area may be closed at Parks Victoria discretion. Riders are advised to stay off the trails during and after heavy rain or storm events.

### Emergency Information

Emergency Markers exist throughout the park. In the case of an emergency call 000 and quote the nearest emergency marker number, e.g. ART001.

Parks Victoria rangers may need to be notified to assist in opening gates to ensure rapid emergency response. To contact a ranger call **13 1963**.

Stay aware of the latest conditions or report fallen trees, hazards or other maintenance issues by calling Parks Victoria on 131963 or visiting [www.parks.vic.gov.au](http://www.parks.vic.gov.au)

Arthurs Seat State Park has a high risk of fire. This park will be closed on days forecast code red fire danger.

Closure signs will be erected and rangers will patrol where possible, but you may not receive a personal warning.

If there is a fire call **000**.
